

Promotes Cardiovascular Health*

Cholesterol Regulation Complex is a unique blend of natural ingredients that helps retain normal cholesterol levels and also increases HDL (good) cholesterol levels by up to 37% within 3 months.*

It helps inhibit absorption of dietary cholesterol and does not interrupt Coenzyme Q₁₀ production.*

N-acetylcysteine is an antioxidant that may help prevent LDL (bad) cholesterol oxidation.*

No artificial flavors, sweeteners, or preservatives added.

Bottle has printed seal under cap for your protection.
